Today, we told management exactly what we need:

1. SEIU's Chicago Wage Scale
2. Strong Covid Protections and Pay

Management was not prepared to respond to our proposals today, but we told them:

**We deserve nothing less than what every other Union nursing home member has!**

**Our next bargaining session is set for October 20. Until then, we stand UNITED and STRONG!**

**We're proudly wearing our SEIU Union buttons at work.**

**We are Stronger Together!**
