### RE: Bonus Payment

Dear [Click here to enter text.](#):

The State of Illinois and the Service Employees International Union Healthcare Illinois & Indiana (SEIU) recently reached an agreement on the implementation of a pandemic stabilization payments of \$750.00 for eligible Individual Providers. To be eligible for this payment, a provider must have been paid for work in at least one of the two March 2021 payroll periods and paid for work on the check where the bonus payment is being issued for services rendered between November 16-31.

You are receiving this letter because you are eligible for a pandemic stabilization payment.

A pandemic stabilization payment is a lump sum that will be added into your paycheck on the normal payroll cycle, so the \$750.00 bonus payment will be in addition to your regular payroll amount. The State of Illinois expects these bonus payments to be included on the checks dated December 22, 2021.

If you have questions regarding the pandemic stabilization payment notice, you may contact the SEIU Member Resource Center at 866-933-7348.
